Defendants.

**ORDER**

19-CV-7914 (JLC)

**JAMES L. COTT, United States Magistrate Judge.**

The settlement conference begun today will continue on **May 10 at 2:30 p.m.** The parties should call (877) 873-8017 (Access Code: 5277586). As is required in the Court's Acknowledgement Form, the person attending the conference is the person with ultimate responsibility for determining the settlement amount: that is, the person responsible for giving settlement authority, not someone who has received authority from another person. In addition, in this case since there is an insurance carrier with authority over settlement, a representative from such carrier with complete responsibility over settlement must be present by telephone for the duration of the conference. **As counsel was informed at today's conference, failure to comply with this requirement will result in sanctions.** If the parties settle this case before the May 10 conference, they should immediately

advise the Court by letter filed on the docket. If no settlement is reached on or before May 10, the Court will discuss setting a trial date.
